THE ART OF MEDICAL AESTHETICS
BLENDS TRADITIONAL AND CONTEMPORARY MODALITIES IN AN AUTHENTIC PARTNERSHIP. APPLYING EVIDENCE BASED TECHNIQUES AND THE WISDOM OF OUR COLLECTIVE EXPERIENCE, WE BUILD A SINCERE AND TRANSPARENT RELATIONSHIP IN WHICH TO SAFELY CREATE YOUR VISION.

Dr. Andy Biro and his care team are passionate about helping you achieve natural and effective results for your skin care needs. We offer services for both men and women using the latest technologies developed for anti aging medicine and skin care. Our desire is to have long-lasting relationships with all of our Vancouver Island clients by providing amazing service and caring for their diverse, unique and evolving skin care needs.

At Longevity we have created a warm, happy space to cultivate an extraordinary experience. Our state of the art clinic is a union of Island charm & big city style. We offer a wide range of treatments for a variety of skin conditions and concerns using the latest technologies. **Come see us at our NEW LOCATION in Parksville BC, 155 Jensen Ave E**

"Dr. Biro is a master at his trade. I traveled from a community 4 hours away to have my procedures done at Longevity Medical Aesthetics. His work is amazing. I have been told by many people that I look 10 years younger (and completely natural). Thank you Dr. Biro." Melissa
